Success Story

Introduction

We at CH would first like to express our appreciation to all of our many customers for your support in 1977. CH has experienced tremendous growth through the year and has had its share of growth plans. Under the present management, the company has purchased the "Miller Mano" line of accessories and has introduced many top quality motocross items under the CH banner in the past year.

The line of products for 1978 is a combination of our own products and some of the finest motocross accessories and apparel available on the market today.

The products we offer you, the customer, are engineered, built, and proven in the heat of competition. We now have the largest line of competition products on the market! CH believes in quality and hope to build our reputation on our quality and service.

We would like to thank our riders for helping test and develop our products: Bobby Jones, Lenny Geiger, Kevin Jones, "Bullet" Ben Theriot, Joey Gratton, John Jaihner, Jerry Surber, Jim Bradden and Craig Eggerman. Again, many thanks to them and their crews.

We would like to wish everyone a very successful 1978. Ride with the best — Ride with CH.
