

# The New Standard Of Excellence\* For 125s

BOBBY JONES

\* So you think you've got a fast, reliable, 125cc Elsinore! Well, if it can't beat the fastest factory 250s in a long race over an open course (where 250s excell), it doesn't measure up to PK's standards. If you've got any doubts...turn the page for an eye-opener.

Jimmy Holley, ace PK minicycle racer and winner of the '76 World Mini Grand prix on PK equipment.

Dave Eropkin, a leading rider in CMC standings, powers to yet another win on his PK 125cc Elsinore.
